

City Gospel Mission Breakfast and Dinner Opportunities for Churches

Many people come to City Gospel Mission in search of a meal, and end up receiving so much more than just a meal! Lives are often changed through the relationships that begin with a simple meal. The Mission depends on the partnership of local churches to help reach the poor and the lost. Following are current opportunities for churches to partner with the Mission in providing and serving a meal and begin the process of building relationships. Specific guidelines and qualifications are available in the church Diner/Chapel info packet. (Please call or email for the information)

Following are the requirements for churches who would like to partner with the Mission to help serve breakfast or dinner to those in need:

- The church supports our vision to help change lives through building relationships.
- A monthly, ongoing commitment is required (unless otherwise noted below).
- The church provides, prepares and serves the food for 100 people – and performs the evening chapel service in some case (where noted).
- The church is able to provide between 10 – 20 volunteers each month to serve the meal and fellowship with our guests.
